

Q2 Cute Charger for Li-ion and IMR Batteries

 The charger must be used with Nitecore's official cords. Damages from using unofficial cords cannot be covered by official warranty. The charger is restricted to charging Li-ion and IMR rechargeable batteries only. Never use the product with other types of batteries as this could result in battery explosion, cracking or leaking, causing property damage and/or personal injury.

 El cargador debe ser usado con el cable oficial de Nitecore. Daños por uso de cables no autorizados no serán cubiertos por la garantía oficial. El cargador está restringido a cargar sólo baterías recargables Li-ion e IMR. Nunca utilice el producto con otro tipo de baterías ya que puede resultar en explosión de la batería, agrietamiento o fugas, causando daño en la propiedad y/o lesiones personales.
